- 2.5 The SFA will not allow deviations or exceptions from the specifications and conditions of this document.
- 2.6 The submission of the bid indicates that the bidder is informed of the specifications and conditions contained herein.

- 15.8 Neither the vendor nor SFA shall be responsible for any losses resulting if the fulfillment of the terms of the contract is delayed or prevented by wars, acts of public enemies, strikes, fires, floods, or any other acts which could not have been prevented by the exercise of due diligence ("act of God"). The SFA may cancel the contract without penalty if the vendor's performance does not resume within 30 days of the vendor's interruption of services due to an act of God.
- 15.9 The only rates and fees that may be adjusted in subsequent contract terms are the fixed rates and fixed fees contained herein. Before any fixed rate or fee adjustments can be implemented as part of a contract renewal agreement, the food service management company shall document to the SFA, through a written financial analysis, the need for such adjustments. Adjustment of all individual per meal fixed rates and applicable fees in subsequent contract terms must not exceed the percentage rate of change of the "Consumer Price Index for All Urban Consumers—Food Away From Home, South Region" annual rate for December of the current school year, as compared to the rate for December of the previous year. Percentage increases cannot be applied to any previous contract term's total estimated or actual contract cost. The calculation method regarding the determination of à la carte equivalents, if applicable, is outlined in the "Meal Pricing" section of this contract. The SFA will be allowed to propose a price decrease if "Consumer Price Index for All Urban Consumers—Food Away From Home, South Region" indicates a decrease.

Section 16: General Contract Terms

- 16.1 No provision of this contract shall be assigned or subcontracted without prior written consent of the SFA.
- 16.2 This solicitation/contract, exhibits, and attachments constitute the entire agreement between the SFA and the vendor and may not be changed, extended orally, or altered by course of conduct. No other contracts will be signed by the SFA.
- 16.3 Each party to this contract represents and warrants to the other that: (a) it has the right, power, and authority to enter into and perform its obligations under this contract; (b) it has taken all requisite action (corporate, statutory, or otherwise) to approve execution, delivery, and performance of this contract; and (c) this contract constitutes a legal, valid, and binding obligation upon itself in accordance with its terms.
- 16.4 Any silence, absence, or omission from the contract specifications concerning any point shall be regarded as meaning that only the best commercial practices are to prevail, and all materials, workmanship, and services rendered shall be of a quality that would normally be specified by the SFA.
- 16.5 No course of dealing or failure of the SFA to enforce strictly any term, right, or condition of this contract shall be construed as a waiver of such term, right, or condition. No express waiver of any term, right, or condition of this contract shall operate as a waiver of any other term, right, or condition.
- 16.6 Payments on any claim shall not prevent the SFA from making claims for adjustment on any item found not to have been in accordance with the provisions of this contract.
- 16.7 It is further agreed between the SFA and vendor that the exhibits, attachments, and clauses attached and designated are hereby in all respects made a part of this contract.
- 16.8 If this contract is in excess of \$100,000, the SFA and vendor shall comply with all applicable standards, orders, and regulations, including but not limited to:

16.9 The vendor certifies compliance with:

- The Department of Labor regulations (29 C.F.R. Part 5);
- Executive Order 11246, entitled "Equal Employment Opportunity," as amended by Executive Order 11375 and Department of Labor Regulation (41 C.F.R. Chapter 60);
- Contract Work Hours/Safety Standards Act (40 U.S.C. 3701-3708) (for contracts in excess of \$2,500);

16.10 The vendor is subject to the provisions of Section 2209d of Title 7 of the United States Code due to the use of federal funds for the food service program. All announcements and other materials publicizing this program must include statements as to the amount and proportion of federal funding involved.

16.11 The Tennessee School Nutrition Program and the USDA are not parties to this contract and are not obligated, liable, or responsible for any action or inaction by the SFA or the vendor. The SFA has full responsibility for ensuring the terms of the contract are fulfilled.

16.12 To the fullest extent permitted by law, the vendor agrees to indemnify, defend, and hold harmless the SFA and its respective agents, officers, and employees from and against any and all claims, demands, suits, liabilities, injuries (personal or bodily), property damage, causes of action, losses, costs, expenses, damages, or penalties, including, without limitation, reasonable defense costs, and reasonable legal fees arising or resulting from, occasioned by, or in connection with: (i) any bodily injury or property damage resulting or arising from any act or omission to act (whether negligent, willful, wrongful, or otherwise) by the vendor, its subcontractors, anyone directly or indirectly employed by them, or anyone for whose acts they may be liable; (ii) failure by the vendor or its subcontractors to comply with any laws applicable to the performance of the services; (iii) any breach of this contract, including, without limitation, any representation or warranty provided by the vendor

herein; (iv) any employment actions of any nature or kind, including but not limited to workers compensation or labor action brought by the vendor's employees; or (v) any identity breach or infringement of any copyright, trademark, patent, or other intellectual property right.

- 16.13 In order for the SFA to respond timely and appropriately to the requirements of the Tennessee Freedom of Information Act (FOIA), the vendor must review all documents required to be provided under this contract and the exemptions for release under FOIA and, if exemptions are allowed, provide the SFA a redacted copy for release under FOIA, along with the original. The redacted copy shall be marked as "redacted," and the vendor shall reference the specific grounds under FOIA or other law or rule supporting the specific redaction request to exempt certain information. Notwithstanding the foregoing, the SFA may not necessarily be allowed to release *just* the redacted versions. Redactions based on personal privacy and preliminary drafts, by law, must be sent to the state of Tennessee public access counselor before a denial to a FOIA request can be made. The SFA will abide by the decisions of the public access counselor.
- 16.14 Each party, including its agents and subcontractors, to this contract may have or gain access to confidential and proprietary data or information of the other party including, without limitation, other technical information (including functional and technical specifications, designs, drawings, analysis, research, processes, computer programs, methods, ideas, "know how," etc.), business information (sales and marketing research, materials, plans, accounting and financial information, personnel records, etc.), all student data and information, and other information designated as confidential expressly or by the circumstances in which it is provided (confidential information). No confidential information collected, maintained, or used in the course of performance of the contract shall be disseminated except as authorized by law and with the written consent of the disclosing party, either during the term of the contract or thereafter. The recipient must return any and all confidential information used in the course of the performance of the contract, in whatever form it is maintained, promptly upon termination of the contract, or earlier at the request of the disclosing party, or notify the disclosing party in writing of its destruction, if destruction is permitted by the disclosing party. Confidential information does not include data or information lawfully in the recipient's possession prior to its acquisition from the disclosing party; received by the recipient from a third party who was free to disclose it; publicly known through no breach of confidentiality obligation by the recipient; or independently developed by the recipient without the use or benefit of the disclosing party's confidential information.
- 16.15 The vendor will comply with the relevant requirements of the Family Educational Rights and Privacy Act (FERPA) (20 U.S.C. 1232g) regarding the confidentiality of student education records as defined in FERPA. Any use of information contained in

student education records to be released must be approved by the SFA. To protect the confidentiality of student education records, the vendor will limit access to student education records to those employees who reasonably need access to them in order to perform their responsibilities under this contract. Any student records in the vendor's possession shall be returned to the SFA when no longer needed for the purposes for which they were provided or, at the SFA's written request, they shall be permanently destroyed and the vendor shall provide written confirmation to the SFA upon the destruction of student records.

- 16.16 The vendor shall comply with all federal, state, and local mandates regarding the identification and recall of foods from the commercial and consumer marketplace. Vendor shall have a process in place to effectively respond to a food recall; the process must include accurate and timely communications to the SFA and assurance that unsafe products are identified and removed from SFA sites in an expedient, effective, and efficient manner. Vendor shall maintain all paperwork required for immediate and proper notification of recalls for full and split cases.

Other products may be considered with proof that such products meet stated specifications and are deemed equivalent to the brand name products in terms of quality, performance, and desired characteristics, as determined by the SFA.
- 17.16 All food items must adhere to the sodium target levels in subsequent contract terms, if applicable, as required by the USDA "Nutrition Standards in the National School Lunch and School Breakfast Programs: Implementation Timeline for Final Rule" and/or other subsequent guidance issued by the USDA.

A summary of the hiring and training requirement for professional standards can be viewed by clicking the following link: <https://www.tn.gov/education/snp-resources/snp-program-requirements/snp-professional-standards.html>.
- 18.2 Professional standards hours must be completed during the school year (July 1–June 30).

Section 19: Fresh Fruit and Vegetable Program (FFVP)

- 19.1 Costs that are charged to the FFVP grant are broken into two categories: administrative and operational.
- 19.1 Operational costs are the primary costs of running the FFVP, including:
- purchase of fruits and vegetables, including the cost of pre-cut produce and delivery charges;
 - non-food items or supplies that are used in serving and cleaning; and
 - salaries and fringe benefits for employees engaged in preparing and distributing fresh fruits and vegetables, and in maintaining a sanitary environment.
- 19.1 Administrative costs, which currently cannot exceed 10 percent of the overall grant, are used principally to support planning and managing the program.
- 19.1 All FFVP costs must be allowable, actual costs, and fully documented. Labor costs must be reported by and to the SFA in a manner that clearly identifies the actual time allocated to the FFVP. All labor costs, either operating or administrative, must be minimal. The SFA shall verify that the FSMC operates the FFVP in compliance with all federal and state guidelines, including but not limited to the following:
- The FSMC will document and track FFVP expenses separately and make this documentation easily accessible to the SFA, TDOE, or USDA for review. All non-food costs must be carefully reviewed and deemed reasonable, given the extent of the FFVP operations.
 - The FSMC will provide the SFA with documentation that clearly outlines the allocation of costs charged to the FFVP as a basis for the SFAs claim for reimbursement. This is a contract requirement even if a fixed fee for FFVP is agreed upon.
 - The FSMC will use the Fresh Fruit and Vegetable Program Monthly Log for Operational and Administrative Costs Claimed for Labor form (included in the *Fresh Fruit and Vegetable Program Handbook for Schools*) to document operational and administrative labor costs or a similar form that captures the same information. This documentation must be readily available for SFA, TDOE, or USDA review.
 - A FFVP cycle menu based on USDA guidelines should be submitted with this RFP to the SFA and used in scoring the FSMC.
- 19.1 Identify all SFA and FSMC roles and responsibilities in the FFVP.

*The minimum number of Reimbursable Meal "Entrée" Choices is one per the 21-day cycle menu. This column does not denote the number of additional "entrée" choices. For example, two means the one entrée per the 21-day cycle menu and one additional "varied" entrée that may be served as part of the reimbursable meal, for a total of two reimbursable meal entrées from which students may choose. In addition, the varied Reimbursable Meal "Entrée" Choices are generally not the same as the Additional Daily Offerings.

“Buy American” Certification

We require that suppliers comply with the “Buy American” provision in all program meals and:

- 1) certify that the products they are offering are domestic; or
- 2) request permission to provide an alternative item when domestic is not available or is priced substantially higher than the non-domestic item.

Requests for alternatives or exceptions should be made as a last resort. However, if you do not have a domestic item to provide for any line item specification on this bid, we will entertain a request for exception at the time of bid. Requests for exceptions during the bid period must be made in writing using this same form. All requests must be submitted at least () days prior to the scheduled delivery date.

Item as specified (include vendor number)	Reason for exception (check one: “Limited or lack of availability” or “Price”)		Alternative substitute item (include vendor number)	Price of specified item	Price of alternative item
	Limited or lack of availability	Price			

In all cases, the school food authority is the determining official that makes the decision to accept non-domestic items. Unless a specific exception has been granted, non-domestic items may not be shipped.

I/We _____ certify that all food items on this bid have at least ____ percent U.S. content and were processed in the U.S., except for those listed above.
