

# Teacher Appreciation Week

May 6th - May 10th

Dear Purpose Prep Families,

We are inviting all scholars and families to show extra gratitude to our Purpose Prep teachers during **Teacher Appreciation Week, May 6th– May 10th**. We recognize and appreciate how Purpose Prep educators play a pivotal role in our scholars’ lives and prepare them for life-long success. This week, let’s thank our classroom and enrichment teachers by showing them how much we appreciate and love them. Below is a list of daily themed items to send in with your scholar for their teachers. This is not a required activity; **participation is optional**. Just send in an item that is listed for the day to each of your scholar’s teachers. These items do not need to be expensive, and you may pick and choose which days you would like to participate.

**Thank you for helping make Teacher Appreciation Week a huge success!**
